Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, a sidewalk closure will be installed on the Centennial Bridge in Rock Island. The closure will begin on Monday, October 17, 2016 at 9:00 AM and will remain closed until Thursday, October 20, 2016 at 3:00 PM. The northbound drive lane will also be closed during this time as an alternative walk-way for pedestrians. Pedestrians are reminded to do so with caution during work hours due to workers and trucks performing maintenance from this lane.

IDOT workers will be painting the steel portion of the sidewalk.

Please slow down and use extreme caution while driving through all work zones.
